

2009 NZ Maths Challenge

24 – 31 August

Making
Maths Fun!

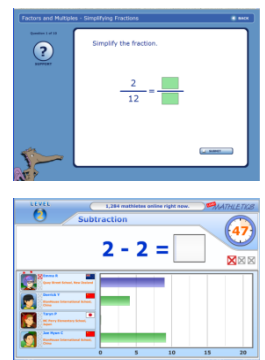

Dear Parent

Your child is participating in the 2009 NZ Maths Challenge!

The Challenge is being held on the **Mathletics** web based learning platform at www.mathletics.co.nz from 9:00am 24 August until 9:00am 31 August 2009. They are also able to participate in practice week from 17 – 23 August.

During the Challenge your child will have 24 hour access to Mathletics on any computer connected to the internet. Your child has been given a unique username and password. They will have access to -

- **Interactive curriculum activities**
 - Instant feedback
 - Animated support that guides students through concepts
 - Adaptive activities that respond to your child's strengths and weaknesses
- **Live Mathletics game engine**
 - Lively and exciting real time 60 second games – challenge students all over the world!
 - Amazing for developing basic maths skills

Students earn points for every correctly answered question and battle it out for a place on the Hall of Fame for 20 Top Schools, 50 Top Classes and 100 Top Students.

To gain an appreciation of how Mathletics works ask your child to show you around!

Visit www.mathletics.co.nz
(ensure popups are enabled for the site)

Select **Sign In** and enter your child's details
