Recycling Centre & Landfill Trip

Dear Parents/Caregivers,

On **Tuesday the 16th of June**, Room 9 is off on an exciting and informative trip to the Recycling Centre and Landfill. This is part of our new Inquiry unit: "**10 Ways to Save the Planet**". We will be experiencing and viewing what happens to waste and recycling in Nelson.

We will leave school at **10:10** and firstly go to the recycling centre in Vivian Place (off Pascoe St). Later we will be heading out to Bishopdale to visit the landfill on Market Road. We will leave to return to school at approximately **12:30pm**.

Children will need to ensure they have extremely sturdy footwear for walking around the landfill as well as have a jumper and raincoat in case of cold weather/rain. Adults attending will be given high visibility vests to wear in the landfill (if you have one and are attending please bring yours along).

Transport is essential for this trip to go ahead. If you are able to assist with transport, please complete the below form. You will need to be a fully registered driver with a vehicle with a current WOF.

Please note: as the recycling centre and landfill are outside of our blanket permission walking area (and we are travelling by private car), we **WILL** require a signed permission slip to be returned for each student.

Kind regards,
Rachel Boyd

✂

I give permission for _____ to visit the Recycling Centre and Landfill on Tuesday 16th June.

Signed _____ Date _____

I am / am not (delete one) able to provide transport for _____ children (including my own) to and from the recycling centre and landfill.
