

Room 9 Notice

Week 10, Term 1

Dear Parents/Caregivers,

Welcome to the last week of Term One!

Thank you so much to all of you who met with me last week for Parent/Teacher Interviews. This is a really valuable time to discuss where your child is in their learning. I particularly value the insights you provide me with in regards to your child's personality and behaviour at home. A special thank you to those of you who also brought your child along to the interview, it is really important for them to hear us talking about their progress.

In response to some parent feedback, this week I will send home a copy of our dictionary tent card for you to put onto cardboard and use to support your child's writing if you wish. I'll also be sending home some further information about our Numeracy programme and what you can be doing at home to support this. I hope these will be useful.

This week we are working on our Life Education booklets and reflecting on our two sessions last week with Harold and Helen the Life Education Teacher. As it is also the last week of term (and a short week too) as advised last week, there will also be no Homefun to complete.

Lindsey is teaching for me on Thursday as I am teaching teachers for the day at Marlborough Girls' and Boys' High School.

If I don't see you before the end of the term, hope you have safe and enjoyable holiday!

Kind regards,

Rachel Boyd
